*Re: Arbuckle Aggregates' Mill Creek Quarry
Annual Report 2016*

Mr. Mackey:

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates, LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 17, 2010, and was issued a mining permit on March 18, 2016. According to §1020.2(C)(2), AA is considered an exempt mine.

For your records, AA did not begin mining operations, produce any mine products, or accumulate any pit water during 2016.

Please feel free to contact me (405/761-1225) if you need additional information.

Sincerely,

Geoffrey A. Canty,
Consultant for Arbuckle Aggregates
